

Inquiry into the procurement and delivery of MyWay+

Answer to question on notice

Asked by: Ms Jo Clay

Addressed to: Chris Steel MLA

Reference: Transport Canberra and City Services

Hearing: 27 March 2025

In relation to: Data breaches and vulnerabilities

Question received: 3 April 2025

Answer Due: 10 April 2025

1. The committee has received evidence of data breaches and vulnerabilities reported by Mr Read, Mr Lummus and Mr Fulham. Are you aware of these reported breaches and vulnerabilities?
2. Does this represent a full list of disclosures and breaches made to Transport Canberra, the Minister or the Cybersecurity team about MyWay+?
3. Do all of these breaches appear in the security log for MyWay+?
4. Were these breaches reported by NEC to Transport Canberra, the Minister or the Cybersecurity team?
5. Are there other breaches that appear in the security log for MyWay+ or that have otherwise arisen in the course of this project that have not been covered elsewhere in this question?

Chris Steel MLA, Minister for Transport: The answer to the Member's question is as follows:

Please refer to the response to QTON 07.

The claims by Mr Reid, Mr Lummus and Mr Fulham all represent vulnerability disclosures which were reported by the ACT Chief Information Security Officer to Transport Canberra, who subsequently advised NEC Australia and myself.

Approved for circulation to the Standing Committee on Environment, Planning, Transport and City Services
