**Mr Braddock, Andrew:** To ask the Minister for Transport —

Transport Canberra website states: *The ticket vending machines located at the City bus interchange platform 4 and the Woden temporary bus interchange platform 6 will be operational soon.* - when will these become operational?

**Chris Steel MLA:** The answer to the Member's question is as follows:

Both of these Ticket Vending Machines (TVMs) are not yet operational due to a water ingress issue. NEC Australia are working with their overseas supplier to provide onsite attendance to resolve this issue. This work is being prioritised and will be completed soon.
