ANDREW BARR took on notice the following question(s):

UPT p.18

MR BRADDOCK: So coming back to that incoming government brief which you stated that your staff probably had access to, did anyone else in the Labor Party staff or other caucus members have access to that incoming government brief?

Mr Barr: Well, I would doubt it, but I will check. I mean, I do not know that there were multiple copies, so there may have only been one hard copy and so that would have sat in my office.

ANDREW BARR: The answer to the Member's question is as follows:

The incoming government brief was only provided to the Chief Minister's Office and only accessible to myself and my staff.

Approved for circulation to the Select Committee on Caretaker Conventions
