Dear Ms Robertson

Thank you for your letter about the new RSPCA ACT facility.

I appreciate the efforts and dedication your team has shown collaborating with Transport Canberra and City Services (TCCS) in addressing the complexities involved. The adjustments made to the project scope are well-received, and we believe they will contribute significantly to the overall success of the initiative.

I also appreciate your concerns about funding. TCCS is working with various ACT Government Directorates to address these concerns and ensure the necessary support is provided. I have asked TCCS to continue working with you and inform as soon as the Government has made a decision.

TCCS and look forward to continuing our collaboration and achieving our shared goals.

Thank you once again for your hard work and commitment.

Yours sincerely
