### **DRAFT VARIATION TO THE TERRITORY PLAN No. 236: CITY WEST**

We support the proposal provided the heritage listed buildings, including those on RAI A and National Trust Registers, are protected and that the planning controls adjacent heritage building do not compromise the significance of the buildings. This particularly applies to the B1 areas adjacent the Sydney and Melbourne buildings when 9 storeys adjacent to them would be inappropriate and compromise their significance. The Draft Variation may need amendment to reflect this.

Yours faithfully,
