Chair
Select Committee on Estimates 2013-2014
ACT Legislative Assembly
GPO BOX 1020
CANBERRA ACT 2601

Dear Mr Hanson

I would like to clarify the answer that Dr Erin Brady provided to the Committee on 24 June 2013 to your question on the ACT Government submission to Infrastructure Australia.

Dr Brady incorrectly indicated that the submission was available to the public through Infrastructure Australia. Further discussions with Infrastructure Australia have clarified that submissions are not made public unless the projects are ready to proceed and the relevant jurisdictions agree to the release of information.

While the protocols of Infrastructure Australia do not allow them to release the submission in the current circumstances, I will consult with my colleagues on whether it is appropriate to release the submission.

I apologise for any inconvenience to the Committee and trust that this clarifies the situation on this particular issue.

Yours sincerely

Simon Corbell MLA
Minister for the Environment and Sustainable Development
