Asked by Mrs Vicki Dunne MLA on 18 June 2014: Mr Robert Barnes took on notice the following question(s):

[Ref: Hansard Transcript Wednesday 18 June 2014, Page 19]

In relation to: Actuarial studies

Mrs Dunne: Are the actuarial studies used to format levies compiled into a report to the Minister, and if so could WSIR provide the most recent report to the Committee?

Mr Simon Corbell MLA: The answer to the Member's question is as follows:–

I am unwilling to provide the triennial actuarial reports as requested by Ms Dunne.

The reports are prepared for the ACT Long Service Leave Board. The reports contain the views of the actuary and are not necessarily the views of the Board or the Government. Furthermore, the actuaries themselves have placed the following caveat on their reports:

"This report has been prepared for distribution to the ACT Long Service Leave Authority for the purpose of review by the management and the Board. This report is not to be used by any other party for any purpose, nor should any other party seek to rely on the opinions, advice or any information contained within this Report. We recommend that such parties seek their own independent advice.

Professional Financial Solutions disclaims all liability to any party other than the Authority in respect of, or in consequence of, anything done, or omitted to be done, in relation whether whole or partial, upon any information contained in this Report. Any party other than the Authority who chooses to rely in any way on the contents of the Report does so at their own risk.

The information in this Report and any related oral presentation made by Professional Financial Solutions is confidential between Professional Financial Solutions and the Authority and should not be disclosed, used or duplicated, in whole or in part, for any purpose without the prior knowledge of Professional Financial Solutions.
