Dear Mr Smyth,

RE: Inquiry into elements impacting on the future of the ACT Clubs Sector

On behalf of St Monica's Primary School I wish to comment on the above Inquiry.

The Canberra Labor Club Group has supported our organisation for four years and during this time our organisation has been able to fulfil the requirements to upgrade items related to the education and schooling activities for the children and school community.

Without this assistance our organisation would not have been able to achieve the goal to enhance the schooling experience for the children who attend.

We cannot envisage any other organisation or government agency being able to fill the void if the Canberra Labor Club was not there to support us.

The assistance of the Club Industry in the ACT is reflected through our partnership with the Canberra Labor Club Group and is something that can only be maintained by the Club if they are able to remain a viable community asset.

We believe that the Clubs of the ACT play an invaluable role in our community.

Yours sincerely

Kathy Stiller
