ANSWER TO QUESTION ON NOTICE

Asked by MS CODY MLA:

In relation to:

What percentage of hours worked for the ACT Long Service Leave Authority are casual, contractor or other non-permanent staff?

How many of those people have been engaged in publically funded jobs for longer than six months?

Of board, executive positions, and general staff appointments by the Authority in the last 2 years what proportion were:
- Women?
- Attended the ANU or another Group of Eight university?
- Were educated at a private secondary school?
- Have a trade qualification?
- Come from a culturally or linguistically diverse (CALD) household?

Minister for Employment and Workplace Safety: The answer to the Member’s question is as follows:

What percentage of hours worked for the ACT Long Service Leave Authority are casual, contractor or other non-permanent staff?

As at November 2018, approximately 13.7% of hours worked for the Authority are performed by non-ongoing staff.

How many of those people have been engaged in publicly funded jobs for longer than six months?

The ACT Long Service Leave Authority employs 2 staff as non-ongoing staff. Neither of the non-ongoing staff have worked at the Authority for longer than six months.

Of board, executive positions, and general staff appointments by the Authority in the last 2 years what proportion were:
- Board appointments were 66 per cent
- Executive position appointments were 100 per cent
- General staff appointments (excluding promotions) were 80 per cent
• Attended the ANU or another Group of Eight university?
  This information is not captured by the Authority as it is not required for either annual reporting or appointment purposes.

• Were educated at a private secondary school?
  This information is not captured by the Authority as it is not required for either annual reporting or appointment purposes.

• Have a trade qualification?
  This information is not captured by the Authority as it is not required for either annual reporting or appointment purposes.

• Come from a culturally or linguistically diverse (CALD) household?
  This information is not captured by the Authority as it is not required for either annual reporting or appointment purposes.

It is noted that cultural and linguistically diverse data in relation to the employee (not the employee’s household) is captured and reported on in the Authority’s Annual Report for 2017-18 as required under part 2 of the Annual Reports (Government Agencies) Notice 2017. This data reports on the workforce profile as at 30 June 2018 and is not limited to new appointments. The data for the workforce profile reflects that 42.9% of the workforce was culturally or linguistically diverse as at 30 June 2018.
