Hi,

As a concerned resident of Giralang, I believe the current state of the Giralang shops displays an unfair lack of appreciation for the residents of the suburb. It is unpleasant for those who live and move around the area. More than that, it is downright dangerous, especially for the kids who attend the primary school right next to the site! If the kids wanted to get in, they would be able to, and there are such things as metal rods poking up. It is horrendous how long the site has been in this state and that more is not being done to rectify it.

Giralang deserves its local shop, and I would like to see something like a supermarket or café.

David.
