In relation to:

The 21/22 Women's Budget Statement states that "The ACT Government developed the Gender Impact Analysis Tool to support analysis of the impact of programs and services on women, men, and gender diverse individuals in the ACT". (Key Milestones, p2)

How have Corrections staff used the Gender Impact Analysis Tool to ensure that a gender lens is placed on the programs, policies and services delivered under the Corrections portfolio?

How many times has the Gender Impact Analysis Tool been applied to programs, policies and services under the Corrections portfolio?

What has the Gender Impact Analysis shown?

If this analysis has not occurred, why has this not been done? What are the forward plans to ensure this can be done within this term of government?

What percentage of Corrections staff have been trained in using the Gender Impact Analysis Tool?

Who is providing the training for using the tool?

Have Corrections staff undertaken any Gender Awareness Training? If so, what percentage of staff have undertaken the training? Who provides this training?

MICK GENTLEMAN MLA: The answer to the Member's question is as follows:–

Information relating to gender initiatives is available in the annual reports for the Justice and Community Safety Directorate. In addition, the Government has developed a new Women Offenders Framework to provides staff with best practice principles to better support female detainees at the Alexander Maconochie Centre. I would be happy to facilitate a briefing for the Member.
