STANDING COMMITTEE ON HEALTH AND COMMUNITY WELLBEING

Mr Johnathan Davis MLA (Chair), Mr James Milligan MLA (Deputy Chair), Mr Michael Pettersson MLA

Statement under standing order 246A relating to continuing resolution 5A

Consideration of statutory appointments

Pursuant to Standing Order 246A, I wish to make a statement on behalf of the Standing Committee on Health and Community Wellbeing for the Tenth Assembly relating to statutory appointments in accordance with continuing resolution 5A.

Continuing resolution 5A requires standing committees which consider statutory appointments to report on a six-monthly basis and present a schedule listing appointment considered during the applicable period.

For 1 July 2021 to 31 December 2021, the Committee considered a total of 10 appointments to 2 statutory bodies. In both cases, the Committee had no comment on the appointments.

I accordingly seek leave to table schedules of statutory appointments for the period 1 July 2021 to 31 December 2021. This schedule is in accordance with continuing resolution 5A.
