In relation to:

Is the funding provided to the Coronial Counselling Service adequate?

Shane Rattenbury MLA: The answer to the Member's question is as follows:–

ACT Government funding for the ACT Coronial Counselling Service, which is operated by Relationships Australia Region Incorporated, is provided through the ACT Health Directorate. The ACT Government provided an additional \$80,000 annually for the Service through the 2022-23 Budget. In addition to the base funding that ACTHD provides to the Service, this results in a total amount of \$262,860.51 (GST Exclusive) to be provided to the Service in 2022-23. This 30 per cent increase was in recognition of the growing demand for this service.
