Hearing Date: 26/7/2023

In relation to: Wellbeing Indicators and Gender Impact Analysis Tool

Please provide three examples of budget decisions changed in your portfolio as a direct result of applying the wellbeing impact assessment.

Please provide three examples of budget decisions changed in your portfolio as a direct result of applying the gender analysis tool.

AARON HUGHES: The answer to the Member's question is as follows: –

The purpose of the Wellbeing Impact Assessment (WIA) and the Gender Analysis Tool is not to change budget decisions. They are used to inform Budget decisions. Budget decisions reflect the endorsement by Cabinet of recommendations by ERC. The Government publishes Budget decisions in the Budget and Budget Review.
