Asked by Mr Peter Cain MLA on 26 July 2023: Mr Adrian Piani took on notice the following question(s):

[Ref: Uncorrected Proof Transcript, 26 July 2023 [PAGE 33]]

In relation to:

Mr Piani: Yes. In response to the question of what is in the estimates in terms of the program for electrification, I have got the list of projects that were nominated in the business case. I think it is worth noting that this was a list put in the business case, but I do expect change as we work through the detail of the program, and I think projects will move forward and out and in depending on the different circumstances.

But nonetheless, in the program, in the business case were the following assets. There were, across 15 sites, 154 assets that were looking to be replaced. I will just work through that list.

Gungahlin Joint Emergency Services Centre; Manuka Swimming Pool, Weetangera Primary School, 1 Moore Street, Duffy Primary School, Caroline Chisholm School Junior, Caroline Chisholm School Senior, Charnwood-Dunlop Primary School, and some assets at CIT Fyshwick, some assets at CIT Bruce, Erindale College and Erindale Theatre, some assets at Canberra Hospital, some assets at Exhibition Park In Canberra, Tuggeranong Bus Depot and Woden Library.

List of projects nominated in the business case for the next four years.

MR CAIN: Thank you. Could you further take on notice the amounts allocated for each of those upgrades? Thank you.

Mr Piani: Certainly.

Andrew Barr MLA: The answer to the Member's question is as follows: –
