In relation to: Ice facilities in South Australia

Hearing Date: 1 August 2024

QTON lodgement date: 2 August 2024

Answer Due Date: 7 August 2024

THE CHAIR: One of the partners I think you had—how you say it—Cruachan Investments, have they successfully delivered another ice facility elsewhere in Australia?

Ms Kelley: Not to completion at this stage. They have two ice related projects in South Australia currently that are at varying stages of progress. So in short, no, but the expertise that they have around them and as Minister Berry alluded to before, the scope of Pelligra's business interests certainly show diversity and capability and their keen interest in ice is certainly the basis of our understanding of—in terms of working with them, but also what they're delivering in South Australia is all of common interest.

THE CHAIR: So of those two, the Marion Ice Rink I guess is one. Do you know what the other one is?

Ms Kelley: I would have to get back to you. I am sorry. I do not know off the top of my head, and I cannot recall.

THE CHAIR: Because I think they had plans lodged, late 2023. Have they started any construction?

Ms Kelley: We would have to follow that up for you. I am not sure.

THE CHAIR: You will take that on notice.

Ms Kelley: We will take that on notice, yes.

Yvette Berry MLA: The answer to the Member's question is as follows:

The second ice sports facility in South Australia by Cruachan Investments and Pelligra will be delivered in Elizabeth, a suburb in the north of Adelaide (part of the City of Playford council).

The planning application for this proposed facility is currently being reviewed by the City of Playford independent assessment panel.
