- 21 **WORLD DAY FOR SAFETY AND HEALTH AT WORK AND INTERNATIONAL WORKERS’ MEMORIAL DAY:** Resumption of debate (*from 6 June 2023—Ms Cheyne*) on the motion of Mr Gentleman—That this Assembly:
- (1) notes the importance of World Day for Safety and Health at Work and International Workers’ Memorial Day commemorated internationally on 28 April of each year and that:
 - (a) it is a day of reflection to remember and honour those who have lost their lives at work or from work-related injuries or illness;
 - (b) an opportunity to focus on the importance of health and safety at work and the joint responsibility shared by all in keeping our workplaces safe and fostering a positive work safety culture;
 - (c) all workers have the right to return home safely from work;
 - (d) in 2023, the theme for World Day for Safety and Health at Work was “A safe and healthy working environment is a fundamental principle and right at work”, focusing on good work; work that is not only safe, but that is also good for us by contributing to our physical and psychological health and wellbeing; and
 - (e) in 2023, the theme for Workers’ Memorial Day was “remember the dead, fight for the living”; and
 - (2) express solidarity in reflecting on the importance of World Day for Safety and Health at Work and International Workers’ Memorial Day which occurred on 28 April 2023 by:
 - (a) formally recording a continuing and shared commitment to being a world-leading jurisdiction in work health and safety; and

- (b) continuing to provide Territory workers with contemporary laws that recognise the complexity of modern workplaces and emerging hazards and keep pace with community expectations.

- 22 **URBAN OPEN SPACE LAND MANAGEMENT PLAN—DRAFT—PAPER—MOTION TO TAKE NOTE OF PAPER:** Resumption of debate (*from 19 September 2023—Mr Braddock*) on the motion of Mr Gentleman—That the Assembly take note of the paper.

PRIVATE MEMBERS' BUSINESS

Notices

- *1 **MS LEE:** To present a Bill for an Act to amend the *Crimes Act 1900*. (*Notice given 26 August 2024*)

Orders of the day

- 1 **CRIMES (COERCIVE CONTROL) AMENDMENT BILL 2024:** (*Ms Castley*): Agreement in principle—Resumption of debate (*from 25 June 2024—Mr Rattenbury*).

Notices—continued

- *2 **MS LEE:** To move—That this Assembly:
- (1) notes:
 - (a) the release of the ACT Council of Social Services 2024 ACT Cost of Living Report (the Report);
 - (b) the Report confirms that the cost-of-living crisis in Canberra is worsening, and those already doing it tough are being squeezed especially hard;
 - (c) the Report found that over the past five years, Canberra has experienced above-inflation increases in the prices of many essential goods and services, including:
 - (i) education costs up 26 percent;
 - (ii) housing costs up 22.8 percent;
 - (iii) medical and hospital services costs up 22.4 percent;
 - (iv) transport costs up 22.3 percent;
 - (v) childcare costs up 21.4 percent;
 - (vi) food up 20 percent; and
 - (vii) gas up 20 percent;

- (d) the Report details how the cost of raising children in Canberra has increased significantly, and that centre-based childcare and family day care in the ACT were the most expensive in Australia; and
- (e) most worryingly, the Report found that almost one in 10 Canberra children live below the poverty line;
- (2) further notes:
 - (a) that, as a result of the worsening cost-of-living crisis in Canberra, our community sector organisations are continuing to see increased demand for their services, including from people in employment who are struggling to make ends meet;
 - (b) that despite the worsening cost-of-living crisis in Canberra, the Treasurer has, in the recent ACT Budget, imposed even more pain on Canberrans by increasing:
 - (i) household rates by between four point five and nine percent;
 - (ii) vehicle registration fees by four percent;
 - (iii) drivers licence fees by four percent;
 - (iv) public transport fees by three percent; and
 - (v) the Safer Families and the Police, Fire and Emergency Services Levy; and
 - (c) these increases are on top of recent increases by the Labor-Greens Government, including:
 - (i) electricity costs increasing by 12.75 percent; and
 - (ii) water and sewerage charges increasing by seven percent; and
- (3) calls on the ACT Government to:
 - (a) undertake a comprehensive review of the *2012 ACT Targeted Assistance Strategy* in partnership with the community sector to ensure concessions are keeping up with changes to the cost of living; and
 - (b) apologise to Canberrans for inflicting even more cost-of-living pain by raising taxes and charges in the recent ACT Budget. (*Notice given 26 August 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

*3 **DR PATERSON:** To present a Bill for an Act to amend the *Evidence (Miscellaneous Provisions) Act 1991*. (*Notice given 26 August 2024*)

*4 **MISS NUTTALL:** To move—That this Assembly:

- (1) notes:
 - (a) the Tuggeranong skatepark, constructed in 1997, is now well over 26 years old. The design, once cutting-edge, now significantly lags behind modern standards;

- (b) while the community has welcomed upgrades to the park, playgrounds, and parking facilities in Tuggeranong Town Park over the past 15 years, the skatepark has been overlooked;
 - (c) skateparks serve as important social and recreational venues, supporting community inclusion;
 - (d) a new, vibrant skatepark in Tuggeranong could create a positive hub for community activity;
 - (e) research suggests that good skateparks activate the local area, help lower neighbourhood crime, and provide a safe, supervised space for children and young people;
 - (f) a petition lodged on 2 June received 776 signatures, calling on the ACT Government to redevelop the Tuggeranong skatepark. The Minister for Sport and Recreation responded to this and indicated that the ACT Government would “consider opportunities for Tuggeranong skatepark in future stages of [the Government’s] suburban infrastructure program”; and
 - (g) while recent resurfacing of the Tuggeranong skatepark was welcomed by the skating community as a much-needed safety upgrade, the community has been asking for a comprehensive upgrade and redevelopment of the Tuggeranong skatepark for a number of years; and
- (2) calls on the ACT Government to:
- (a) commit to a comprehensive upgrade and redevelopment of the Tuggeranong skatepark, including expansion and modernisation, and begin work no later than the 2026-2027 financial year;
 - (b) co-design the new Tuggeranong skatepark with local skateboarding and BMX organisations and other skatepark user groups;
 - (c) work with local skating and BMX organisations and other skatepark user groups to develop an ACT Government skatepark strategy;
 - (d) ensure that the comprehensive upgrade and redevelopment of the Tuggeranong skatepark is included as part of this skatepark strategy;
 - (e) revisit the proposal of a skate plaza extension into the carpark area of Tuggeranong skatepark;
 - (f) ensure that the Tuggeranong skatepark upgrades improve utility for all potential users, and specifically people with a disability; and
 - (g) ensure equitable skatepark development across the ACT. (*Notice given 26 August 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

*5 **MS LEE:** To move—That this Assembly:

(1) notes:

- (a) in this term of government, Labor-Green ministers are responsible for wasting hundreds of millions of taxpayers' dollars, including:
 - (i) more than \$80 million on an abandoned Human Resources Information Management System which includes \$636,000 for Spinifex IT that was never deployed by the ACT Government; and
 - (ii) overspend through the Digital Health Record, which includes:
 - (A) the overpayment of invoices to NTT who received more than \$110 million across 300 invoices. This issue is currently under investigation by the ACT Integrity Commission; and
 - (B) two internal audits for which the waste total has not been revealed, these looked at "travel and work hour invoices submitted by Epic" and "Credit card expenditure and sign off in the Digital Solutions Division";
- (b) more than \$900,000 that was paid to Lendlease above the preferred tenderer for the Campbell Primary School Modernisation Project, which is also currently being investigated by the ACT Integrity Commission for potential corrupt conduct by the Construction, Forestry and Maritime Employees Union and the Deputy Chief Minister's office;
 - (i) in addition, the ACT Government is funding both the Director-General of the Education Directorate and the Integrity Commission's legal fees in the Director-General's unprecedented legal action against the Commissioner related to this investigation; and
 - (ii) to date, Mr Rattenbury MLA has refused to provide the cost of these fees for the Director-General, however, the Integrity Commissioner advised the Select Committee on Estimates 2024-2025 that the invoices total more than \$95,000 in relation to legal actions taken against the Commission related to Operation Kingfisher and Operation Luna; and
- (c) more than \$8.5 million in contracts awarded to a "systems and complexity thinker" that were referred to the ACT Integrity Commission, which recently made a finding of "serious corrupt conduct" against the former Canberra Institute of Technology Chief Executive Officer (CEO), and the ACT Government continued to pay the former CEO while stood down, which included two pay rises and totalled more than \$1.1 million;

- (2) further notes the:
 - (a) 2023-2024 estimated Uniform Presentation Framework Net Operating Balance reported a deficit of more than \$1 billion;
 - (b) ACT Government has forecasted that the ACT's total borrowings will be more than \$19.3 billion by 2027-2028; and
 - (c) interest expenses on the total Territory borrowings are forecasted to be more than \$855 million in 2027-2028; and
- (3) calls on the ACT Government to apologise and take responsibility for having no respect for ACT taxpayers' money. (*Notice given 26 August 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

*6 **MS LEE:** To move—That this Assembly:

- (1) notes during an ABC Radio interview in April 2024, the Deputy Chief Minister said that the Labor Party “don’t make promises we can’t deliver”;
- (2) further notes:
 - (a) that currently the Labor Party will fail to deliver their 2020 election commitments, which includes but is not limited to:
 - (i) build additional walk-in health centres;
 - (ii) complete construction of a new southside hydrotherapy pool;
 - (iii) build a northside elective surgery centre;
 - (iv) upgrade endoscopy rooms at Canberra Hospital;
 - (v) build a palliative care ward in the Canberra Hospital;
 - (vi) complete construction for a new primary school at Strathnairn;
 - (vii) complete construction of a Gungahlin tennis centre;
 - (viii) Stromlo District playing fields; and
 - (ix) complete upgrades to Gorman House;
 - (b) that currently the Labor Party will fail to deliver their 2016 election commitments, which includes but is not limited to:
 - (i) duplication of Athllon Drive; and
 - (ii) a new Tuggeranong ice rink; and
 - (c) according to the 2023 Parliamentary and Governing Agreement Progress Update, around two in five commitments have not been delivered by the Labor-Greens Government; and
- (3) calls on the Deputy Chief Minister to:
 - (a) apologise for saying that the Labor Party “don’t make promises we can’t deliver”; and
 - (b) correct the record by listing every single election commitment that the Labor Party has failed to deliver since 2012. (*Notice given 26 August 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

Orders of the day—continued

Unanswered questions

(30 days expired 17 June 2024)

1910 **MRS KIKKERT:** To ask the Minister for City Services —

- (1) When did the ACT Government last conduct an assessment for transport and active travel needs around Jamison shops and surrounding neighbourhoods and can the Minister provide a copy of the assessment.
- (2) Has the ACT Government conducted any analysis on transport and access needs of people with disability, mobility issues, people with prams and/or small children or trolleys, cyclists and other pedestrians for the Jamison shops area and surrounding neighbourhood; if so, what were the key findings of this analysis.

- (3) When was the C5 cycle path (through the suburbs of Macquarie and Cook) last upgraded and when were they last assessed.
- (4) Does the ACT Government have any plans to upgrade the C5 cycle path (through the suburbs of Macquarie and Cook); if so, (a) when are upgrades to be expected, (b) what are the nature of the upgrades and (c) what is the estimated cost of works.

1935 **MS CLAY:** To ask the Treasurer — In relation to the Commonwealth 2024-25 budget, (a) what is the difference in anticipated payments to the ACT compared to the 2023-24 ACT Budget Review and (b) what changes to payments for specific purposes are expected for the ACT.

(30 days expired 8 July 2024)

1971 **MR BRADDOCK:** To ask the Minister for Education and Youth Affairs —

- (1) What policies and guidance have been put in place to support teachers and other school staff in their engagement with children when the subject of Israel, Palestine and Gaza arises in the school environment.
- (2) Can the Minister provide any such policies or guidance referred to in part (1).

(30 days expired 29 July 2024)

2036 **MS CLAY:** To ask the Minister for Housing and Suburban Development —

- (1) In relation to the response to question on notice No 987 that provided information on the construction cost of dwellings provided under the Growing and Renewing Program, as at September 2022, can the Minister provide the same information for the period from the start of the Growing and Renewing Program to dwellings completed to now.
- (2) In relation to the response, referred to in part (1), published on 18 January 2023, that included that the average cost per dwelling for a four bedroom house on greenfield land was \$1,207,383, and the cost for a six bedroom house at the same time was \$1,182,875, why was the cost of building a six bedroom house cheaper than the average cost of a four bedroom house.

2047 **DR PATERSON:** To ask the Minister for Gaming —

- (1) Given that the Minister has made multiple public statements that the cost of a Central Monitoring System (CMS) “is less than half of what was first thought” and that CMS is likely around the \$70 million, is the Minister suggesting the entire cost of a CMS in the ACT would be \$35 million.
- (2) Why does the Minister believe that a CMS is a value-for-money harm-minimisation tool, given that a CMS has been implemented for many years in most Australian jurisdictions with large amounts of poker machines, yet the rate of gambling harm is consistent across the country.
- (3) Given that TabCorp company, Max Gaming, was granted the 20 year licence to monitor all Tasmanian electronic gaming machines (EGMs), is it appropriate to hand over complete monitoring control of all ACT EGMs to the gambling industry.
- (4) How will the Minister for Gaming ensure that the CMS provider has no links to the local ACT club sector to ensure they provide an independent monitoring service.
- (5) Will the Minister be providing in the procurement process, that the provider of a CMS must contribute “significantly” to research in the ACT, given that part of the agreement with Max Group to deliver a CMS in Tasmania was that Tabcorp will contribute \$1 million to “Gambling Harm Research” in Tasmania, although \$1 million is insignificant in research terms over 20 years.

2060 **MRS KIKKERT:** To ask the Minister for Housing and Suburban Development —

- (1) How many public housing tenants were in arrears as of 27 June 2024.
- (2) How much, in total, was owed to the Government in arrears from public housing tenants as of 27 June 2024.

2073 **MRS KIKKERT:** To ask the Minister for Housing and Suburban Development —

- (1) How many ACT housing properties in the Ginninderra electorate are occupied
- (2) How many ACT housing properties in the Ginninderra electorate are unoccupied, and of these properties, how many (a) are vacant and waiting to be sold, (b) are intended to be demolished and redeveloped, (c) are currently in development, (d) are vacant for refurbishment, (e) are vacant for any other reason, and what are those reasons and (f) have been unoccupied for longer than 100 days.
- (3) What is the longest time properties, referred to in part (2), has been unoccupied for.
- (4) How many people are currently waiting on the waitlist for ACT housing.

2075 **MR CAIN:** To ask the Special Minister of State —

- (1) Can the Minister advise which capabilities will be fulfilled by the Payroll Capability and Human Resource Management (PC-HRM) program, including capabilities of (a) payroll, (b) core human resources, (c) absence, (d) time and attendance, (e) recruitment and on-boarding, (f) learning and development, (g) performance management, (h) workforce planning, (i) career planning, (j) succession planning and (k) health and wellbeing.
- (2) Can the Minister advise whether time, absence and leave will have to be manually entered following the implementation of PCHRM.
- (3) Will PCHRM's capabilities encompass the whole of government.
- (4) What capabilities will PC-HRM not fulfil that the Human Resources Information Management System was slated to implement.

2076 **MRS KIKKERT:** To ask the Minister for Housing and Suburban Development — How many public housing dwellings were occupied as of (a) 1 January 2021 and (b) 27 June 2024.

2090 **MS CLAY:** To ask the Minister for Homelessness and Housing Services — In relation to the Central Intake Service (CIS), for both the (a) current OneLink CIS model and (b) proposed next CIS, can the Minister advise (i) what the process is by which applicants are connected with Community Housing Providers (CHPs) to access long term accommodation, (ii) does CIS function solely as a referral service, or does it play a role in determining eligibility, (iii) how are applicants (A) housed into CHP owned properties from the waiting list, (B) assessed for their eligibility when they approach CIS, (iv) how are different eligibility criteria for different providers managed, (v) does CIS have a role in allocating properties to applicants, (vi) can CHPs make additional properties available for allocation through the general housing wait list, (vii) what level of visibility does CIS have of property availability among the housing stock of CHPs, (viii) is there a common waiting list that housing providers can draw from for long term social housing and (ix) can applicants complete one housing application and access all types of available social housing.

2096 **DR PATERSON:** To ask the Minister for Gaming —

- (1) Have bet and load limits been abandoned by the Minister as a policy objective.
- (2) Given that a Central Monitoring System (CMS) is simply an accountancy tool for measuring taxation on its own, did the market sounding include cashless gaming implementation on top of the quote for the CMS, and what model of cashless gaming.
- (3) How much will a CMS (as per market sounding costings) cost to implement in the ACT and how (a) much of this cost will be covered by taxpayers, (b) much of this cost will be covered by clubs in the ACT and (c) will the Minister mandate the cost to be covered by ACT clubs, as the Minister has previously stated.

- (4) How much will mandatory, account based cashless gaming cost to implement in addition to a CMS (as per market sounding costing), and how much of this cost will be covered by (a) taxpayers and (b) clubs in the ACT.
- (5) How many suppliers provided quotes through the CMS market sounding process, and does the Minister view this number as sufficient.
- (6) Was the market sounding predicated on the ACT remaining at 3,500 machines.
- (7) What period of time was the proposed licence for the market sounding based on.
- (8) What is the timeframe that the clubs would be required to implement the CMS in full.
