Hi,

Our family is fully in favour of the planned development of Hawker Shops.

It's long overdue.

The so called "Friends of Hawker Village" have already held the revelopment of our local shops for about 20 years in the name of preserving expensive open air parking.

Plus for good measure their current claim is that we're all too frightened to use basement parking.

On the contrary, my family would love to have Hawker upgraded to the standards of the Jamieson shopping Centre or the new Belconnen markets with its highly convenient and efficient basement parking.

We'd be happy to answer any questions if you have them.

Regards

Robert & Judith Gunning
