Answer Due: 03 December 2025

Mr Parton: I love it that you are still talking about my transport policy, Mr Steel, I love it. Mr Smith earlier gave a number, and I just did not jot it down of how many zero emissions buses we have currently actually operating in the ACT. I think it was —

Mr Smith: It was around about 90, I can—

Mr Steel: We can take that notice so we can provide you a specific number at a specific point in time if you would like, yes.

Mr Chris Steel: The answer to the Member's question is as follows:

As of 1 November 2025, there are 98 battery electric buses in the operational fleet.
