## Hawker Village redevelopment report tabled

The Standing Committee on Environment and Planning has tabled its Report on the Inquiry into Petition 002-25: Hawker Village shops redevelopment.

“While this inquiry was focused on a relatively small geographic area, the local community’s strong desire to shape the future of their local shops was clearly demonstrated in this inquiry,” said Jo Clay MLA, Committee Chair. “This inquiry received over 70 submissions, most of which were sent by residents of Hawker and nearby suburbs.”

“This is a clear indication of the strength of feeling within the community about its future,” Ms Clay continued. “The Committee saw value in the ACT Government seeking to harness this passion and ensure that the controls and outcomes in planning documents for Hawker Village reflect community sentiment and guide future development.”
