PRIVATE MEMBERS' BUSINESS

Notices

- *1 **MR PRATT:** To move—That this Assembly:
- (1) notes:
 - (a) the poor state of the Albert Hall, clearly a result of some years of government neglect;
 - (b) the cultural and heritage value of the Albert Hall to the Canberra community;
 - (c) that on 24 May 2007 a public meeting was held to discuss the future of the Albert Hall;
 - (d) the disappointment of the meeting with the failure of the Government to send a representative competent to comment on the tender process; and
 - (e) that public management of the Albert Hall offers the best guarantee for continued community use of the facility; and
 - (2) directs the ACT Government to:
 - (a) abort the current tender process for the management of the Albert Hall, and arrange a six month extension of the current management arrangements to enable a period for proper community consultation;

** Notifications to which an asterisk (*) is prefixed appear for the first time*

- (b) expend the \$1.8 million necessary to restore this building to an appropriate standard;
- (c) maintain community access balanced with periodic commercial use to ensure the upkeep of the facility;
- (d) establish a joint body with the Australian Government, including community representation, to report and advise on the planning and management of the Albert Hall Heritage Precinct; and
- (e) ensure that the report or advice of the committee is considered against any future tender for the sale of the precinct. (*Notice given 5 June 2007*).

2 **MS PORTER:** To move—That this Assembly:

- (1) notes:
 - (a) that tobacco accounts for the greatest single health burden of disease and injury in Australia, 7.8 per cent of the total burden, according to *The Burden of disease and injury in Australia 2003* report by the Australian Institute of Health and Welfare;
 - (b) the significant reforms made by the ACT Government to reduce smoking in our community;
 - (c) these reforms have included the banning of smoking in enclosed places and further tobacco control measures;
 - (d) the positive impact these reforms have had on the ACT community; and
 - (e) that after a thorough consultation process, the ACT Government is planning further tobacco control measures; and
- (2) calls on the ACT Health Minister to report to the Assembly on a timetable for these further reforms. (*Notice given 30 May 2007*).

*3 **MRS BURKE:** To move—That this Assembly:

- (1) notes that despite the ongoing dedication and commitment by the ACT's nurses, doctors and allied health workers in the public hospital system:
 - (a) the recently released report from the Australian Institute of Health and Welfare found the ACT performed poorly against a range of health indicators;
 - (b) elective surgery lists continue to grow, with Canberrans waiting one month longer, on average, than the national median waiting time for elective surgery; and
 - (c) medical labour costs are growing and the ACT recorded the worst emergency department performance out of all States and Territories; and
- (2) calls on the ACT Government to:
 - (a) acknowledge the poor performance of the ACT health system against other jurisdictions; and
 - (b) take action to make the necessary improvements that will provide Canberrans with a higher quality of care. (*Notice given 5 June 2007*).

Orders of the day

- 1 **AUSTRALIAN ELECTORAL SYSTEM—IMPACT OF CHANGES ON THE ACT:** Resumption of debate (*from 30 May 2007—Dr Foskey, in continuation*) on the motion of Ms MacDonald—That this Assembly:
- (1) notes:
 - (a) the amendments made to the Commonwealth *Electoral Act 1918* by the *Electoral and Referendum Amendment (Electoral Integrity and Other Measures) Act 2006* will disenfranchise thousands of eligible voters in our community;
 - (b) the Howard Government's enrolment changes are unnecessary and are likely to weaken Australia's electoral system;
 - (c) the direct impact these changes will have on the ACT's electoral roll; and
 - (d) the importance of a strong electoral system which has as many eligible voters enrolled as possible in order to maintain trust in the electoral system by the electorate; and
 - (2) requests the Chief Minister write to the Federal Minister, Gary Nairn MP, expressing the concern of this Assembly at the negative impact these changes will have.

Notices—continued

- 4 **DR FOSKEY:** To move—That this Assembly:
- (1) commends the coalition of community groups and refugees for their work in keeping the tragedy of the SIEV X disaster in the public eye;
 - (2) notes:
 - (a) the National Capital Authority (NCA's) ostensible practice of waiting 10 years after an event before considering the installation of a memorial to it in the parliamentary triangle; and
 - (b) that this practise has not been observed in regards to the proposed memorial to Steve Irwin, who died suddenly a few weeks ago, and the Bali bombing;
 - (3) condemns the NCA for its politically based rejection of the SIEV X memorial request; and
 - (4) calls on the ACT Government to make every effort to gain the active and prompt support of the NCA for the SIEV X National Memorial Project. (*Notice given 17 October 2006*).
- 5 **DR FOSKEY:** To move—That this Assembly:
- (1) recognises the ongoing cultural value and the heritage of Albert Hall;
 - (2) acknowledges the importance of continued public ownership and community participation in control of Albert Hall and its grounds;

- (3) believes that community access and activity must be, and must remain, the primary use for the building;
 - (4) calls for the tender for management of the Albert Hall to be withdrawn in the light of the ACT Government's support for its national heritage listing and the fresh potential for Australian Government funding; and
 - (5) opposes any plans to allow the private sector to gain any interest in this community asset as would occur were it required to make capital investment in maintenance of the Albert Hall. (*Notice given 29 May 2007; amended 30 May 2007*).
- 6 **MR STEFANIAK:** To move—That this Assembly calls on the Government to improve the infrastructure and services in the West Belconnen area. (*Notice given 7 December 2004*).
- 7 **MR SESELJA:** To move—That this Assembly:
- (1) notes with concern the Auditor-General's findings in relation to the EpiCentre auction process, particularly the findings that:
 - (a) there was a lack of clarity in the related planning controls in the Territory Plan that were applied to the Lease and Development conditions for the site;
 - (b) the clarity of the sale documentation could have been improved with the inclusion of an appropriate interpretation of the Territory Plan as applied to the site;
 - (c) ACTPLA did not always provide a clear and responsive reply to legitimate and straightforward inquiries about specific planning controls, such as whether the land use controls apply to the whole of a lease or individual shops within the lease and this is not consistent with good public administration; and
 - (d) both ACTPLA and LDA would serve the public better if they have provided as, an addendum to the sale documents, an appropriate and clear interpretation of the specific planning controls of the Territory Plan as applied to the site;
 - (2) notes that these findings specifically contradict the Planning Minister's statements in the Budget Estimates committee when he stated that the potential buyers knew what they were buying and it was clear to all parties what the potential uses were for the site and all of the uses were very clearly spelt out to bidders before the auction occurred; and
 - (3) calls on the Minister for Planning to implement the Auditor-General's recommendations to ensure that the lack of clarity identified by the Auditor-General is not repeated in future auction processes. (*Notice given 12 December 2006*).
- 8 **MRS DUNNE:** To move—That this Assembly:
- (1) notes:
 - (a) the policy statement *Towards 2020* published by the Minister for Education and Training in June 2006;

- (b) that *Towards 2020* proposes significant changes to the structure of ACT government schooling as well as the closure of 39 schools;
 - (c) that these significant proposals have largely not been examined by the ACT community during the prescribed consultation period; and
 - (d) that these proposals will not provide the savings outlined by the Government; and
- (2) condemns the ACT Government for pushing through a policy proposal that has not been exposed to proper and comprehensive study and community discussion. (*Notice given 12 December 2006*).
- 9 **MRS DUNNE:** To move—That this Assembly:
- (1) notes recommendation 9 of Report No 34 of the Standing Committee on Planning and Environment entitled *Long-term planning for the provision of land for aged care facilities in the A.C.T.*; and
 - (2) directs the Planning and Land Authority to immediately commence a variation to the Territory plan to remove the residential overlay for the community land at section 87, Belconnen. (*Notice given 7 December 2004*).
- 10 **MS PORTER:** To move—That this Assembly calls on the Commonwealth Parliament to undertake a comprehensive review of the *Australian Capital Territory (Self-Government) Act 1988*. (*Notice given 23 November 2006*).
- 11 **MS MACDONALD:** To move—That this Assembly notes:
- (1) the Howard Government's lack of genuine concern for David Hicks' human rights;
 - (2) that the confinement of David Hicks is a clear example of an Australian citizen's human rights being violated by the Government of a supposedly friendly country with the complicity of the Howard Government;
 - (3) that the confinement without charge of David Hicks:
 - (a) is a clear example of the Howard Government's lack of commitment to the fundamental belief in the rule of law; and
 - (b) highlights the Howard Government's blatant disregard for the legal concept of *habeas corpus*;
 - (4) that, as an Australian citizen, David Hicks is entitled to a fair trial; and
 - (5) that if this set of circumstances can befall a South Australian then it could happen to an Australian Capital Territorian in the future. (*Notice given 6 March 2007*).

Orders of the day—continued

- (1) notes:
 - (a) the failure of The Canberra Hospital to attain full four-year accreditation from the Australian Council on Healthcare Standards (ACHS);
 - (b) this failure indicates that The Canberra Hospital did not meet at least one of the 19 mandatory ACHS criteria; and
 - (c) the ACT Government was aware of this failure in mid-2004 and concealed this information from the public; and
 - (2) calls on the Government to table the full ACHS report by close of business today.
- 3 **PUBLIC SECTOR MANAGEMENT AMENDMENT BILL 2005:** (*Mr Smyth*)

 - (a) the failure of the Minister for Children, Youth and Family Support to ensure that the working group recommended by the Standing Committee on Community Services and Social Equity to examine the adequacy and appropriateness of the programs currently available in Quamby, was established in a timely manner;
 - (b) the inability of the Minister or officials to indicate during Estimates Committee hearings whether the working group had been established;
 - (c) the misleading and evasive answers provided to questions on notice by the Minister in relation to this issue; and
 - (d) the ongoing breach of the *Human Rights Act 2004* in relation to the treatment of inmates at Quamby; and
 - (2) calls on the Minister to table in the Assembly all relevant documents in relation to the establishment of the working group within the current sitting of the Assembly.

And on the amendment moved by Ms Gallagher—Omit all words after “That this Assembly”, substitute:

“acknowledges the:

- (1) *\$40 million commitment the ACT Government has made to building a new youth detention facility in the ACT;*
- (2) *efforts being undertaken by staff at Quamby and from other organisations to ensure the individual needs of young people living at Quamby are being met; and*

 - (a) the recent report from the Australian Institute of Health and Welfare found that the ACT rated very poorly across a range of health indicators;
 - (b) the rate of by-pass occasions at The Canberra Hospital has increased substantially during May 2006; and

“(4) that the most effective policy to reduce greenhouse gas emissions is to embrace a “no regrets” environment policy.”.

10 **NEW ACTION TIMETABLE:** Resumption of debate (*from 7 March 2007—Mrs Dunne, in continuation*) on the motion of Mrs Dunne—That this Assembly:

- (1) notes:
 - (a) the introduction of the new ACTION timetable called Network 06, on 4 December 2006, which curtailed the frequency of bus services;
 - (b) the high level of dissatisfaction with the changes introduced and the flood of complaints received from the public;
 - (c) that Network 06 disregards the needs of shift workers and all people who want to use the system during off-peak times; and

- (d) that Network 06 has created high levels of inconvenience for Canberra bus users; and
