Subject: Brumbies Rugby and Draft Variation to the Territory Plan No.307 Griffith-Change of Zoning

Dear Committee Members,

I wish to voice my support for the proposed rezoning as outlined in Territory Plan No 307.

Though I am not a citizen of Canberra, both my wife and I travel and work in the Capital on a daily basis, commuting to and from our home in Goulburn.

Our intention is to relocate to Canberra in the next 12-18 months to minimize our daily commute and the increased access to housing in the City , ie Manhattan Apartments , NISHI and proposed growth in the Griffith and Manuka area's will allow us a wide range of alternatives when we make our move to Canberra.

I congratulate the Assembly and the committee on their approach, review and foresight in increasing the availability of accommodation and development of this and other centres within the capital. This growth will ensure that these centres's further develop their own character and personality through the growth proposed by this plan and development.

I look forward to the day that I have the opportunity this development will provide me to move to Canberra through the foresight and vision of the supporters of this plan.

Regards,

Shane Hobbs
