Dear Mr Gentleman

**Draft Variation to the Territory Plan No 308 – Cooyong Street Urban
Renewal Area**

I am writing to you following my appearance before the Standing Committee on
Planning, Environment and Territory and Municipal Services on 27 May 2013 in
relation to the Draft Territory Plan Variation No 308.

After reading the proof transcript there are a number of corrections that I would like
to make to the information provided to the Standing Committee:

- (1) At P52 I advise that the students at Currong Apartments are on 'six-monthly
tenancies'. The term of the tenancies is twelve-months. As stated at the time
this term is tied to the academic year. This was a misunderstanding on my part.
- (2) At P57 McPherson Court is not 'on Northbourne', as I advised it was. McPherson
Court is in O'Connor and was redeveloped into what is called 'City Edge'. This
was an error on my part. It would therefore be correct to say 'McPherson Court,
the City Edge development in O'Connor'.

I would like to assure you that at no time did I seek to mislead the Standing
Committee and I seek to have these corrections incorporated into the transcript to
ensure an accurate record is provided.

Yours sincerely
