ANSWER TO QUESTION TAKEN ON NOTICE DURING PUBLIC HEARINGS

Asked by Mr Doszpot on 27 June 2014: Ms Priest took on notice the following question(s):

[Ref: Hansard Transcript 27 June 2014 [PAGE 1220 - 1221]]

In relation to: Proposed management of the new tennis facility

MR DOSZPOT: My final question is: with the management of the new tennis facility that you spoke about, will that be contracted out or will Tennis ACT or Tennis Australia take on management, including financial management, of that project?

Ms Priest: The redevelopment of the tennis facility has two components. One is with the commercial partner, Next Generation Australia, and there will be a sublease to that entity to manage that component of the facility, and Tennis will manage the other component.

MR DOSZPOT: Is that a local entity?

Ms Priest: No, it is a national entity.

MR DOSZPOT: Based in which capital city?

Ms Priest: I am not absolutely sure. I would have to take that on notice and let you know. Next Generation Australia have properties and investments all over the country.

MR DOSZPOT: I understand. Could you get back to us with that? Thanks very much.

MINISTER BARR: The answer to the Member's question is as follows:—

Tennis ACT will retain management of tennis facilities on Block 12 Section 64 Lyneham. Tennis ACT's commercial partner will manage the adjacent health/leisure facility on Block 10.

Next Generation Clubs Australia Pty Ltd is an Australian Proprietary Company. It has several clubs across Australia and New Zealand with its head office in Adelaide.
