Subject: Submission to Inquiry into the Draft Plan of Management for the Albert Hall

ACT LA

Dear Madam/Sir,

First of all I apologize for writing past the due date. I was on holidays and didn't see the email below until today as it is my first day back at the office.

We (the Embassy of Argentina) have been hiring the Albert Hall on a yearly basis since 2011 for our National Day Reception. We are very pleased with this venue and intend to keep hiring it for our future functions, however it is of high importance to us that we would be allowed to use our own catering, as it was the case during all these years.

On another note, we would like to suggest regular checks on the Albert Hall's sound system and its ongoing maintenance to ensure its correct functioning, as we had a unfortunate mishap earlier this year.

We thank you in advance for your attention to our email.

Kind regards,

Tatiana Galinskaya-Vernon
