**Question on Notice**

Dear Mr Smyth,

On 6 November 2014, at the Standing Committee on Public Accounts public hearing on the annual report of the Office of the Legislative Assembly, you asked for clarification about the Office's staffing statistics contained in the tables appearing on pages 44 and 45 of the Office's report. You correctly pointed out some arithmetical errors in this material.

The Office has determined that an error in the production process resulted in the incorrect presentation of some of the figures included in the relevant tables.

The correct information is included as Attachment A.

Yours sincerely
