CANBERRA ACT 2601

Dear Mr Smyth,

RE: Inquiry into elements impacting on the future of the ACT Clubs Sector

On behalf of *Darts ACT* I wish to comment on the above Inquiry.

The Canberra Labor Club Group has supported our organisation for 36 years and during this time our organisation has *benefited from their support*.

Without this assistance our organisation would not have been able to *survive and with their direct sponsorship we would not have able to run a World Ranking Darts event here in Canberra as we have for the last 34 years, this has enticed players from all over the world to attend*.

We cannot envisage any other organisation or government agency being able to fill the void if the Canberra Labor Club was not there to support us.

The assistance of the Club Industry in the ACT is reflected through our partnership with the Canberra Labor Club Group and is something that can only be maintained by the Club if they are able to remain a viable community asset.

We believe that the Clubs of the ACT play an invaluable role in our community.

Yours sincerely

Michael.P.Mullaney
