Inquiry into Renewable Energy Innovation in the ACT
ANSWER TO QUESTION TAKEN ON NOTICE
Hearings of 17 June 2021

Asked by Ms Castley MLA:

In relation to: Business using the renewables innovation hub (Proof transcript page 96)

MS CASTLEY: It was 30 businesses. Do we still have those same 30 businesses? Has it grown? Has the business uptake dropped off?

Mr McGlynn: I do not have the numbers with me. My recollection is that it is probably bigger now. I can check and provide the numbers on notice. It certainly has not dropped to nothing. There has always been a situation where some companies come in and some companies come out. I do not know what the exact numbers are now.

CHIEF MINISTER: The answer to the Member's question is as follows:--

The Smart Energy Council have managed the online Renewables Innovation Hub platform since 16 June 2020. Currently, the Hub has 31 paying members (as of end May 2021) which is steadily increasing each quarter.
