To whom it may concern

I am writing to express my deepest concern over any plans on closing down
Burrangiri Aged Care Respite Centre.

I have been getting numerous great feedbacks on the wonderful work the staff are doing in this place, which makes our loved ones (dear friends and family members) enjoy being there because of the care and love shown by staff. The centre is well set with all programs and activities by the very experienced staff and most of all is the love and care they show. It is what families and friends look for, knowing that our loved ones are cared for and feel that they are in '*another home, away from home*'.

It will be very devastating to all of us, families and friends including our loved ones using Burrangiri Aged Care Respite Centre, if the government has any plans of closing the centre.

I stand together with the centre, families and friends to stop any plans for closing the centre, asking for the government to reconsider and help promote this wonderful place our loved ones enjoy and feel safe in their care.- **Burrangiri Aged Care Respite Centre.**

Sincerely yours
