Answer Due: 2 December 2025

MS CARRICK: Final question. I was just wondering if you could provide us, on notice, the profits of Belgravia over the past couple of years?

Ms Berry: I am sure it would be in the annual report if they are required to.

Ms Khan: Ms Carrick, do you mean Belgravia as an operating entity?

MS CARRICK: No, as—at each pool. Like, what profits do they make out of each of our pools?

Mr Khan: I am not sure.

Ms Berry: I do not know that—

MS CARRICK: Well, they are for a profit organisation.

Ms Berry: Yes, but they are a private business. We do not hold their annual reports. I am sure that they provide them, and they are available publicly.

MS CARRICK: They do not report back to you or anything about how—I mean, like how do you know about who does the maintenance—like how do you know if they are making a squillion out of our pools or they are just scraping through?

Ms Berry: I would doubt that they would be making a squillion.

MR RATTENBURY: It is a lot of money.

Ms Khan: We could take it on notice and consider it better.

Ms Berry: Look, we will take it on notice and see what we can find.
