## Notice Paper

No 54

Wednesday, 3 August 2022

The Assembly meets this day at 10 am

### EXECUTIVE BUSINESS

#### Notices

- \*1 **MR STEEL:** To present a Bill for an Act for the protection of trees to support a sustainable urban forest, and for other purposes. (*Notice given 2 August 2022*).
- \*2 **MR STEEL:** To move—That this Assembly:
  - (1) notes that the:
    - (a) Commonwealth Government currently funds road projects on an 80:20 basis with state and territory governments if the project is in a regional area, while funding for road projects within the defined urban area for each of Australia's capital cities is on a 50:50 basis;
    - (b) Commonwealth Government currently considers all roads within the ACT as urban roads regardless of whether they are in an urban area or not;
    - (c) ACT is home to a variety of regional roads, some of which are largely unsealed, and are not urban, such as Boboyan Road, Smiths Road, Brindabella Road and others;
    - (d) Commonwealth Government considers the same roads, including Bobeyan Road and Brindabella Road, on the NSW side of the border, as regional; and

- (e) ACT Government proposed upgrades to Boboyan Road, on the basis of an 80:20 funding arrangement with the Commonwealth, however, this was rejected by the previous Commonwealth Government; and
- (2) calls on the Commonwealth Government to:
  - (a) reclassify roads in the ACT, which are regional roads and not in Canberra's urban footprint, as regional, thus attracting 80:20 funding for agreed projects;
  - (b) work collaboratively with the ACT Government to explore further opportunities for co-investment on the ACT's regional roads; and
  - (c) continue support for road safety improvements and upgrades on rural roads in the ACT and the broader south-east NSW region.

### Orders of the day

- 1 **DRUGS OF DEPENDENCE (PERSONAL USE) AMENDMENT BILL 2021:**  
(Mr Pettersson): Agreement in principle—Resumption of debate (*from 11 February 2021—Ms Stephen-Smith*).

### Notices

- 1 **MR PARTON:** To move—That this Assembly:
  - (1) notes:
    - (a) a point of consumption tax (POCT) is imposed on online gambling in all Australian jurisdictions;
    - (b) the POCT generated \$17 million in the last financial year in the ACT;
    - (c) the POCT rate in the ACT was recently retrospectively increased from 15 percent to 20 percent on 1 July which should increase the revenue to government to approximately \$23 million;
    - (d) all Australia states return a portion of POCT to racing codes in their jurisdiction, with legislation proposed by the Queensland Labor Government set to return 80 percent of revenue to the racing industry which equates to approximately \$80 million per year;
    - (e) Tasmania also returns 80 percent of POCT to racing codes;
    - (f) racing clubs in Canberra will receive \$7.5 million each year over the next five years under the memorandum of understanding (MOU) with the ACT Government;
    - (g) the ACT is now the highest taxing jurisdiction of racing in Australia but returns the least back to the racing codes;
    - (h) thoroughbred racing in Canberra contributes \$55 million per year to the ACT economy and supports more than 400 full-time jobs; and
    - (i) the ACT Government collected \$69 million in total gambling taxes in 2020-21 and is forecast to collect more than \$77 million in 2024-25; and
  - (2) calls on the Government to:
    - (a) return a reasonable portion of POCT revenue to racing codes still legal in the ACT; and
    - (b) continue supporting Canberra's racing clubs beyond the current MOU. (*Notice given 1 August 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
- 2 **MS ORR:** To present a Bill for an Act to provide free access to period products, facilities and information about menstruation, and for other purposes. (*Notice given 1 August 2022*).

3 **MR CAIN:** To move—That this Assembly:

- (1) notes that the:
  - (a) ACT has some of the highest fuel prices of any Australian capital city;
  - (b) ACT has one of the least competitive fuel retail markets in the country;
  - (c) ACT Labor/Greens Government has ignored advice from the ACT Legislative Assembly Select Committee on Fuel Pricing in 2019, to initiate a real time, mandatory price-monitoring scheme similar to the FuelCheck app in NSW;
  - (d) ACT Labor/Greens Government stated they believe that there is already a high degree of retail fuel price transparency in the ACT; and
  - (e) price of fuel is a significant impact on Canberran's cost of living; and
- (2) calls on the ACT Government to introduce the FuelCheck app in the ACT.  
*(Notice given 1 August 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).*

4 **MR BRADDOCK:** To move—That this Assembly:

- (1) notes:
  - (a) diversity should be reflected in all aspects of public life;
  - (b) that meaningful, evidence-based data collection practices are an important tool to expose potential discrimination and inequalities, and help us to make our city a better place for all Canberrans;
  - (c) in June 2022, new Immigration Minister, Andrew Giles MP, said “Australia does not effectively measure our diversity”, and that Australia's failure to collect data on ethnicity or race—unlike the United States, Canada and New Zealand—was a “fundamental barrier to understanding the issues that face multicultural Australians”;
  - (d) while the ACT Government collects data about Culturally and Linguistically Diverse (CALD) representation in the ACT Public Service (ACTPS), the ACT's diversity data collection reflects these national issues;
  - (e) the Federal Government is establishing a CALD data collection working group with representatives from peak multicultural bodies, along with data collection and demography experts to develop national standards for diversity data collection to address the gaps and shortfalls of current practices; and
  - (f) while the ACTPS policy and recruitment guidelines include the use of targeted recruitment strategies to encourage diversity, there are disparities in practice across the directorates, including whether CALD applicants are encouraged to apply; and

- (2) calls on the Government to:
- (a) monitor, and if appropriate, contribute to and apply, national standards for diversity data collection;
  - (b) create an evidence-based best practice guideline that can be used in the recruitment, retention and promotion of ethnically and racially diverse people;
  - (c) consider for inclusion in the guidelines measures such as the de-identification of applications, unconscious bias and anti-racism training, and explicit encouragement of CALD applicants to apply for ACTPS jobs;
  - (d) make the best practice guideline available to all directorates and agencies as a guide and resource to inform their practices;
  - (e) use the guideline to inform the next available review of the *ACTPS Recruitment Policy and Guidelines*, with a particular focus on strategies to ensure management and executive levels reflect the wider population;
  - (f) encourage CALD applicants on ACTPS employment communication; and
  - (g) report back to the Assembly by the August 2023 sitting period on progress. (*Notice given 1 August 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

7 **ONLINE GAMBLING—PROTECTIONS FOR CONSUMERS:** Resumption of debate  
(from 1 June 2022—Mr Braddock) on the motion of Ms Orr—That this Assembly:

- (1) notes that:
  - (a) Australia has one of the biggest gambling markets in the world per capita – from poker machines to online gambling (including sports betting and horse racing);
  - (b) while the ACT Government has an extensive reform initiative to address harm from poker machines, it has limited levers to address the issue of online gambling and television advertising;
  - (c) the regulation of online gambling and television advertising (including sports betting, special events and horse racing) is the responsibility of the Commonwealth;
  - (d) the majority of online gambling companies are registered in the Northern Territory;
  - (e) the ACT Government is working with the Commonwealth and state and territory governments to provide a harmonised approach to the regulation of online gambling through the National Consumer Protection Framework for Online Wagering;
  - (f) to provide a fairer taxation regime based on the location of the consumer rather than the location of the operator, most Australian states have implemented a point of consumption tax;
  - (g) in 2019, the Betting Operations Tax was introduced in the ACT. This is a 15 percent point of consumption tax payable by all betting operators in the ACT;
  - (h) in 2019, 7.7 percent of the ACT's adult population bet on sports and special events within 12 months. Of those people, 38.5 percent were classified as at-risk gamblers, of which 3.2 percent were problem gamblers;
  - (i) the COVID pandemic lockdowns saw prolific advertising by the online gambling industry, with studies finding increases in online gambling and the numbers of Australians who opened a betting account during the pandemic;
  - (j) gambling has become a large part of sport in Australia, largely due to increased and normalised advertising that targets certain groups in the community; and
  - (k) more needs to be done to specifically address the harm that comes from online gambling in the ACT community; and
- (2) calls on the ACT Government to:
  - (a) continue to work with and advocate to the Commonwealth and state and territory governments on the implementation of the National Consumer Protection Framework for Online Wagering;
  - (b) conduct a review of the online gambling and advertising market and the impacts of this on the ACT;

- (c) investigate ACT revenue sources that can be used for harm minimisation activities for the ACT community that target online gambling;
- (d) consider ways to raise community awareness (particularly targeting groups in the population susceptible to online gambling harm) around the risks of online gambling; and
- (e) report back to the Assembly by December 2023.

*And on the amendments moved by Mr Parton—*

- (1) *Insert after paragraph (1)(k) the following:*
  - “(l) according to a recent article from the ABC, there has been \$18 million worth of political donations from the gambling industry across Australia in recent years in the states and territories, with the majority of that money going to ACT Labor; and*
  - (m) the ACT Government’s most recent Listed Company Shareholdings list from 31 March of this year includes investments with Betmakers Technologies Group which is linked to Sportsbet, Tabcorp, Ladbrokes, Bet 365, Unitbet and William Hill;”*
- (2) *Add paragraph (3) as follows:*
  - “(3) condemns ACT Labor for pocketing millions of dollars directly or indirectly from gambling companies over many years.”. (Order of the day will be removed from the Notice Paper unless called on within 2 sitting weeks – standing order 152A.)*
