In relation to:

The size and capacity of the new southside hydrotherapy pool.

MINISTER STEPHEN-SMITH MLA: The answer to the Member's question is as follows:–

The ACT Government is developing a new public hydrotherapy pool at the Tuggeranong Lakeside Leisure Centre, Anketell St, Greenway. This hydrotherapy pool will be developed consistent with the Australasian Health Facility Guidelines.

Community consultation undertaken to date has focussed on the use of the Australasian Health Facility Guidelines as a standard, with some modifications to support ACT user lived experience. The capacity of this standard pool is 12 users and 2 staff. The final design process for the pool will include input from further user consultation.
