Closed as a result of	On 16 April 2025, at 1:20pm, the child, P01 P01 (P02) accidentally hit an educator in the face, with a tennis racquet he was holding. The educator walked away to tend to their injury and P01 felt upset that he'd hurt the educator and he thought he was going to get into trouble. P01 walked out of the service and was followed by an educator. P01 attempted to cross a road, but was stopped by the educator to keep him safe. Police were called at 1:27pm. As P01 walked along Bandjalong Crescent, towards Bindubi Street, they lost sight of him. The team contacted P01's parent at 1:46pm and his Mother told them that he has just arrived home. Police were then called and they visited the home to talk to P01. P01's Mother brought P01 back to the service at 2:45pm, to apologise to educators. His Mother also showed educators the last part of the route he travelled when they lost sight of him and which lights he used to cross the road safely at. The service and P01's Mother talked about strategies to support P01 if he goes into 'flight response'. P01 remained at the service for the remainder of the session.
