Dr Marisa Paterson MLA took on notice the following question(s):

MS CASTLEY: And for each of these incidents—I know you say you can think of one with a union official—were there complaints? Were there incident reports, workplace reports? If you could just drill down into a bit of detail for that, and the date of the alleged incidents, what were the findings? Just trying to understand what goes on in each one of these allegations, if we can, and what actions were taken by ACT Fire and Rescue or the government. I know, minister, you have said you referred one. And are there any relevant records currently retained in accordance with the applicable record-keeping requirements?

Dr Paterson: We will take it on notice.

DR MARISA PATERSON MLA: The answer to the Member's question is as follows:
