Mr Giuseppe Mangeruca took on notice the following question(s):

MS VASSAROTTI: I guess the question was, is there consideration about increasing that contribution? But I am interested about your comments around the reporting and the commission reporting, and I just went and checked it again. I cannot see reports beyond 2018-2019 on the website. Are they being published in another area of the website now?

Mr Mangeruca: I believe that the ones that we had have been published. But what I can do is, how about I take that aspect of the question on notice, and if they are hiding somewhere in our architecture—and I would like to say now that we are looking at our website architecture and its readability as an area of work for us this financial year. I will take it on—

MS VASSAROTTI: Yes, well, I have just clicked into where the reports are and it is only up to 18-19.

Mr Mangeruca: So I will have a look. We will take that on notice.

Mr Giuseppe Mangeruca: The answer to the Member's question is as follows:

As of 1 July 2019, changes were made to the ACT community contribution scheme to maximise community benefits and increase transparency. Part of these changes include a requirement for licensees to include community contribution information in their annual reports or income and expenditure statements (whichever is applicable). These reports are to be submitted to the Commission, who is then required to publish them on its website. These reports can be found at <https://www.gamblingandracing.act.gov.au/industry/licensee-annual-reports-and-community-purpose-contributions>.
