What action is required?	Any circumstances posing risk to health, safety and wellbeing
Risk due to	Localised Issue

Closed as a result of

22/8/24
3:45pm

Following issues with a group of children using sexualised language, P01 P01 (P01 - Program Coordinator) individually discussed the behaviour with children individually. In response to the question "have you seen anything that made you feel uncomfortable?" the children each identified that they had been shown inappropriate content by P01 P01 the previous week. The content alluded to included:

- P01 throwing a rubber penis/dildo onto a car in her school carpark.
- images of the face of a student from her previous high school that she had pasted onto another person's body with the N-word slur visible in the photo.
- Various videos from her personal TikTok account on her mobile phone.
- P01 sharing stories from troubling behaviour while in high school, including setting a fire while in a bathroom.

The children explained that they had viewed this content while in the service kitchen with P01, helping to tidy the afternoon's dishes.

Upon receiving the allegation of misconduct, the provider has stood P01 down with pay as of 23/8/24. An initial investigation will be actioned, and a Reportable Conduct report made. Each family has been notified of the allegation made by their child.

The children currently understood to have viewed the content include:

- P01 P01 (P02)
- P01 P01 (P02)
- P01 P01 (P02)
