Risk due to	Localised Issue
Closed as a result of	Wonderschool Conder is facing continuous issues with equipment located at Mura Lanyon Youth Centre that is causing partially combusted LPG into the yard. Each day we are needing to implement a 'shelter in place' due to smell and taste of the gas. Currently ACT Property Group is refusing to rectify the issue and we are needing to call Environment Protection Authority to attend. This morning, Environment Protection Officer, PO1 was able to validate the odour. Currently, Wonderschool Conder is remaining indoors as it is unsafe to children and educators to be outside. We have also notified families again of the situation.
