**2. Has your organisation/group developed a written analysis of the ACT Budget that it would like to submit to the Committee?**

No

**3. Please list, in order of priority, your three main areas of concern regarding the ACT Budget 2013-2014: (there is space available in the next question to expand on this list)**

a. - There is no allocation of funds that focus on reaching the 40% emissions reduction target

b. - There is no allocation of funds that focus on achieving the implementation of Action Plan 2

c. - There is no allocation of funds for monitoring Action Plan 2

**4. What are your views on the Budget in relation to your priority areas? (provide details on those items you listed above)**

The budget has no information or allocation of funding for implementing Action Plan 2 and reaching the 40% emissions reduction target. To achieve this ambitious target requires ongoing awareness, monitoring and implementation of actions, all of which need a budget.

**5. Are there any other particular issues with the ACT Budget that you would like to bring to the Committee's attention?**

---

No

**6. Did you provide a budget submission to the ACT Government?**

---

No (skip to question 8)

**7. Do you think that the Budget has addressed the issues raised in your submission?**

---

**No Response**

**8. Does your organisation/group wish to give its views in a Committee public hearing on Friday 14 June 2013, at the Legislative Assembly, London Circuit, Canberra.**
