The activities in question took place during the Monday to Wednesday preschool program last week. The school received this complaint on Friday, 30 May, and raised the matter with School Operations earlier today 03/06/2025.

The school is currently progressing a number of actions in response (attached), and the matter has been referred to People and Cases for further consideration. School Operations will support the school in preparing a response to the families involved.

In the interim, the related Seesaw post has been removed while investigations are underway and until agreed actions have been implemented.

We will continue to provide updates as the situation develops, including details regarding the second complaint.
