Mrs Danae Lacey took on notice the following question(s):

Just to confirm before I hand over to you, Mr Emerson, really quickly. So, the Auditor-General's report made 17 recommendations. If it is all right are you able to provide, on notice, how many of those recommendations you have accepted, and what is the progress against each and every one?

Mrs Danae Lacey: The answer to the Member's question is as follows:

While the original question did not specify which Auditor-General audit report or recommendations were being referred to, the Public Trustee and Guardian (PTG) has interpreted the question as relating to the Auditor-General's audit of Financial Management Services for Protected Persons tabled on 29 June 2023.

PTG accepted all 17 recommendations arising from that audit. As reported to the PTG's Audit and Risk Committee (ARC) in December 2024, all 17 recommendations have been implemented and are recorded as completed.

Accordingly, PTG accepted 17 recommendations, and the implementation status of each recommendation is complete.
