In relation to: Relocation exemptions under Growing Renewing Public Housing Program

MR PARTON: Chair, I will close on this line. Those who received exemptions went through many battles to seek those exemptions. Most were approved, but 15 were not. How many of those 15 tenants that were not approved have already relocated?

Ms Berry: I do not know if we have that level of detail. We might have to see what we have available without identifying any individuals.

MR PARTON: Of course.

Ms Berry: Let me see what we can find for you. I will take that on notice.

Ms Yvette Berry MLA: The answer to the Member's question is as follows:–

Two households who applied for an exemption and were not approved have relocated.
