In relation to:

**MR BRADDOCK:** Sorry, just finding the unmute button. I have a question about the Transitional Release Program in terms of how many detainees when through that program in the 20-21 year, what was the capacity, how many—what was the gender break up of those people who attended that program?

Mick Gentleman MLA: The answer to the Member's question is as follows:—

1. Nine detainees participated in the Transitional Release Program during 2020-2021. The gender breakdown of that number was eight men and one woman. There is no limit to the number of detainees (male or female) that can participate in the TRP.
