Asked by Ms Nicole Lawder MLA:

Reference: Hearing on 8 November 2022, Annual Report of Transport Canberra and City Services Directorate

In relation to: Mowing and Waterways

Minister I have previously sent you photos of workers mowing grass directly into Lake Tuggeranong. In this particular instance, what action, if any, was taken as a result of these photos?

**CHRIS STEEL MLA: The answer to the Member's question is as follows:—**

The area in question is managed by the Suburban Land Agency (SLA). TCCS does not conduct mowing operations in this area.

TCCS will speak to the SLA regarding clippings entering into waterways.
