

LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

Ms Joy Burch MLA
Speaker
Legislative Assembly for the ACT
196 London Circuit
Canberra ACT 2600

Dear Madam Speaker,

Report of the Select Committee on Cost of Living Pressures in the ACT

You would be aware that the Committee's report was tabled today.

One of the recommendations is in error. Recommendation 8 in the tabled report reads:

The Committee recommends that the ACT Government increase their intervention to reduce problem gambling, through mechanisms such as advertising regulation, cashless gaming, and poker machine regulation.

Recommendation 8 should state:

The Committee recommends that the ACT Government investigate how online gambling providers and online scams are targeting the most vulnerable in the community to get a better understanding of the impact on the community.

We, as the ex-Members of the Committee, would greatly appreciate it if you could please table this document in the Assembly today, so it could be published on the Committee's website and serve as a corrigendum.

Yours sincerely,
