Detailed description of the incident including nature of risk, time, cause, etc.

We were advised yesterday by a casual educator working at the Throsby OSHC program of an incident that had occurred on the 1st March 2022. The allegation is that after dealing with some escalating behaviour from a child the director (P01 P01) debriefed with the team and described the management of the incident he described his interaction with the child as "Telling him some hard truths" These included
"Your friends will think you are a bully if you don't stop acting this way",
"You keep acting like this you will end up in jail" and
"People will call you a bully the rest of your life".
This was told to them in a manner described as bragging.
P01 has been on personal leave due to a covid exposure from Tuesday 8th March.
I have spoken to the family today to inform them of the incident and P01 has been stood down while a full investigation is completed.
