Inquiry into the Electoral (Gambling Industry) Amendment Bill 2026

Dear Committee,

I support adding the gambling industry to the existing list of banned donors.

My view primarily reflects that gambling has a net detrimental impact influence on too many people, particularly the more vulnerable.

I also consider that the proposed change should be structured to have the effect of preventing monetary and other donations by so called 'community clubs'.

I am happy to discuss my views with the Committee.

I am happy for this Submission to be released publicly,

Regards Bruce Paine
