Hello,

I'm just writing about brothels being legalized, well aloud in australia, the fact that the government is allowing this is horrible I'm a 17 year old high school girl and I think it's disgusting that especially in australia this is happening I am ashamed of the government because they are allowing girls like me even younger partake in this, how you feel if you, or your children or somebody close to you was taken and used for this, how would you like it ?? I am begging you to please act on this for the sake of the future and count

Regards Maddy Kuhl
