Subject: Waldorf apartment owner petition

To whom it may concern,

I am an owner of one of the apartments in the Waldorf Hotel and I am writing in regards to the noise level posed by the Transit Bar across the road from the Waldorf Hotel.

It has recently become a problem in the eyes of the Hotel and I have a tenant whom I do not want to put through sleep problems due to 'excessive noise' coming from a bar across the road.

If there's any way to control this situation for the benefit of all parties involved with the Waldorf Hotel, please action it as it will cause many problems in the long run for further investment opportunities.

Yours faithfully

Romina Lau Diaz
