[Ref: Hansard Transcript 19 June 2014 [PAGE #583-584]]

In relation to : Tenants being charged full rent

How many tenants did not provide income details and were consequently charged full market rent in the last 12 months?

MINISTER RATTENBURY: The answer to the Member's question is as follows:—

Of the 16,730 rebate applications processed in the 2013-14 financial year to date, 109 tenants received a cancellation notice advising that their rebate would end as information had not been provided. 104 of these tenants subsequently provided the information and their rebates were backdated to the expiry of their previous rebate period. Five tenants remain on full market rent.
