Dear Mr Sloan *Craig*

I am writing in relation to the following contracts, engaged by the Canberra Institute of Technology (CIT) in recent years.

1. Patrick Hollingworth for the transformation of CIT Strategic compass 2020, executed on 27 July 2017 for the value of \$198,000
2. Redrouge Nominees Pty Ltd for provision of Transformational Consultancy Services, executed on 1 July 2018 for the value of \$151,250
3. Redrouge Nominees Pty Ltd for provision of Organisational Transformation Strategic Guidance and Mentoring Services, executed on 9 November 2018 for the value of \$825,000 and varied on 9 October 2019 to increase the value to \$1,220,000
4. Patrick Hollingworth for provision of Organisational Transformation Strategy Guidance and Mentoring Services for CIT 2020-2021, executed on 9 April 2020 for the value of \$1,705,000

I have been made aware of a media inquiry concerning these contracts and am seeking further information about the circumstances surrounding their procurement. I would appreciate advice on the processes that were undertaken to select Mr Hollingworth and Redrouge, including advice on how these contracts represent value for money.

I am also seeking advice on the specific outcomes being sought by these consultancies and a report on how these outcomes have been delivered to date.

I would appreciate this advice, in writing, by 5 March 2021.

Yours sincerely

Chris Steel MLA
